# Katameya Dunes

## Golf & Social Club

*Created by nature - designed by golfing legend Sir Nick Faldo. Katameya Dunes is a masterpiece of golf course design, from the spectacular to the subtle!*

Katameya Dunes provides 27 Championship holes in three layouts, where fairways, greens and lakes have been sculpted into a pristine natural landscape of swaying palms and vivid colours.

Tour professionals and beginners are equally captivated by the Dunes, which is immaculately prepared and lovingly maintained for an exceptional experience. At Katameya Dunes we live and breathe golf!

Located in Cairo's thriving, outlying Fifth Settlement District, we are conveniently close to Cairo International Airport, many excursion site seeing sites and the vibrant Cairo Festival City commercial and many other retail areas.

Katameya Dunes offers so much more than just a day's golf. We guarantee a day to remember ... to last until we welcome you back for the next time.

### THE COURSE

Katameya Dunes comprises the Lakes Course (7,435 yards) and the Palms Course (7,315 yards), with five tee positions to provide a challenge suited to any standard of golfer, from the beginner to the mid-handicappers and tour players.

The rolling fairways, spectacular views from elevated tees and the challenge of raised greens are just part of the golfing experience at Katameya Dunes. As the unbroken sunshine sparkles off lakes and fountains, take your golfing enjoyment to a new level.

Multi-Major winner Sir Nick Faldo devised a course with his trademark 'risk and reward' holes, including Par 3s that are both delightful and daunting as you launch your tee shots over water or alongside a tumbling cascade of waterfalls.

### THE ACADEMY

The Academy at Katameya Dunes, staffed by EPGA professionals, provides tuition, up-to-the-moment facilities, equipment and teaching aid technology that is unique in Egypt.

Whether you are an experienced club golfer who needs to refresh skills, a junior, or a group of ladies looking for a day's introduction as a route to taking up the game, Katameya Dunes is the ideal location.

The Titleist Performance Institute assesses physical and playing capabilities and is backed by swing and putting video analysis. With a 300-yard two sided grassed driving range, practice areas for pitching, chipping and on-course lessons, Katameya Dunes has every aspect of the game covered.

Academy staff teach pure beginners, work with experienced players to refine their skills and improve the enjoyment of golf for men, women and juniors.
